HAVANA BRANDS AND SIZES

§ 3.03: BRAND INDEX

3.03 BRAND INDEX

Here is a compact index to currently-produced Havana (export) brands and sizes. Additional details about each of these brands is listed in the following section, offering brand profiles, factory shape identification and packaging information.

(This list does not include Cuban brands produced solely for domestic consumption such as Bauza, Moya and Reloba.

The Jose L. Piedra and Vegueros brands are listed as they are now exported, but are also available domestically.)
